Apply for CIRA Accreditation Using the NSCAP Accreditation Portal

Applying for Cyber Incident Response Assistance (CIRA) accreditation through the NSCAP Accreditation Portal (NAP) is easy using the 4 quick steps below:

- 1. Use the following link to access the NAP homepage: https://www.iad.gov/Cira/login_join.cfm
- 2. Click the **New Registration** button to fill in the form to first register your organization.
- 3. Use the link in your registration acknowledgment email to return to the NAP home page and use the **New Registration** button to create your new account username and password.
- 4. Once you receive an email that your account is approved, return to the NAP homepage, enter your username and password in the Login block and begin your application.

Have questions? Need more information? There are several ways to get the answers:

- Visit the NSCAP website.
- Contact the NSCAP Office via email: NSCAP@nsa.gov.
